Relax, we've got comfort under control.

With several affordable designs to choose from, it's easy to find the model that will keep your home cool and comfortable, control humidity and maintain indoor air quality on hot summer and cold winter days. And while you're feeling comfortable indoors, you'll also feel good knowing your system is using environmentally friendly R-410A refrigerant to protect the outdoors.

Feel good with the Good Housekeeping Seal.

York® products that bear the Good Housekeeping Seal give you the added assurance of product replacement or refund of the purchase price if the product proves to be defective within two years from the date sold by an authorized dealer.

Affordable peace of mind.

Select York® systems using R-410A installed after May 1, 2009, include a 10-year limited warranty on the compressor and parts as standard coverage (when you register qualifying products online within 90 days of installation, otherwise the parts warranty reverts to a 5-year parts warranty). See your York® Dealer for details.
