MODULAR DESIGN

Relax, we've got comfort under control.

With York, it's easy to find the model that will keep your home comfortable, control humidity and maintain indoor air quality. And while you're feeling comfortable indoors, you'll also feel good knowing that our air handlers are perfectly compatible with technology using environmentally friendly R-410A refrigerant to protect the outdoors.

Feel good with the Good Housekeeping Seal.

York® products that bear the Good Housekeeping Seal give you the added assurance of product replacement or refund of the purchase price if the product proves to be defective within two years from the date sold by an authorized dealer.

Keeping it quiet.

You value peace and quiet, and so do we. That's why York incorporates a special sound-dampening design to reduce vibration and noise during start up, operating and shut off periods so you enjoy the sound of silence.

Get complete comfort with a matched system.

Your indoor air handler is the crucial system component that circulates comfortable air throughout your home. When matched to your outdoor unit, this advanced design delivers exceptionally efficient performance and extended system life.

- Tighter cabinet keeps contaminants out of the air flow
- Better drainage of coil moisture
- Compact design saves space
- Foil faced insulation keeps fiberglass from entering air stream
- Pre-painted steel cabinet for added durability
- Modular flexibility fits unique needs

Complete your home comfort system by asking your York® Dealer about ways to improve your indoor environment and protect your family's health with our indoor air quality options.
